

DECORATION NEWS

HIGHLIGHTS ON THE INTERNATIONAL ARENA

LLADRO

Designer Bodo Sperlein introduces an equestrian theme for his new and racy Ascot Collection called the Lladro Re-Cyclos Magical collection. These have been inspired by the beauty and elegance that horses possess.

PORCELAIN REDEFINED

The fragile material in its new avatar makes an avante-garde statement

PRODUCED BY **SONIA DUTT**

MAT & JEWSKY

Jumbled kitchenware is the latest obsession for French lamp designer, Herv Matejewski. His new range of lamps are assembled from porcelain cups, saucers, bowls, ramekins and cake plates.

BONZE BY PHILIPPE STARCK FOR XO

A shiny piece of furniture by Philippe Starck that has been inspired by surrealism.

Website: www.xo-design.com

SIEGER

Plated with 24-carat highly polished gold. When these goblets are raised for drinking, thousands of reflections sparkle to give the impression of liquid shimmer.
